New England Eye Center is internationally known for referral and consultation, providing the latest comprehensive services in tertiary care ophthalmology. It is a complete clinical, research and technical center for the testing and treatment of all eye diseases and visual problems.

Scheduling Appointments

Please call specific consultants directly at the numbers listed below. Or, call the scheduling office at 617-636-4600, Monday through Friday, 8 a.m. to 5 p.m. **If this is your first visit, or if any of your contact information has changed,**

call Tufts Medical Center Registration at 617-636-8600 a few days before your visit. Managed-care plan members, contact your Primary Care Physician a week before your appointment for a referral. Please bring all insurance information, ID cards, forms, and policy numbers and co-payment.

Urgent Care

If you require urgent care, call 617-636-0705 at any time to request assistance. During off-hours, you may also go to the Emergency Department at 830 Washington Street, Boston.

- Appointments: 617-636-4600

Your appointment is for:

_____ / _____ / _____

at _____ o'clock

on Biewend 9 10 11 Floating 6

Locations

Adults – All New England Eye Center adult services are provided on the *9th, 10th, and 11th floors of the Biewend Building, 260 Tremont Street in downtown Boston.* The Biewend Building main street entrance is next door to the Citi Performing Arts Center’s Wang Theatre.

Children – The Pediatric Ophthalmology and Strabismus Service is located on the *6th Floor of the Floating Hospital for Children, 755 Washington Street, Boston.*

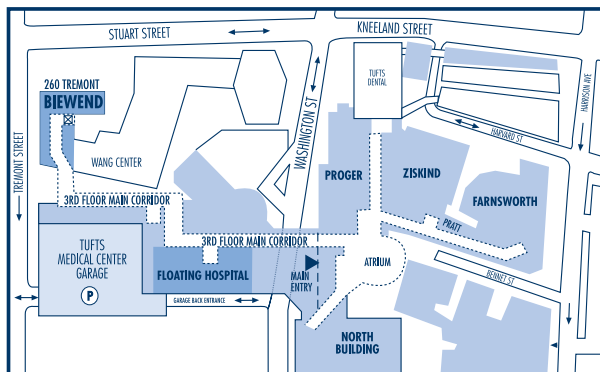

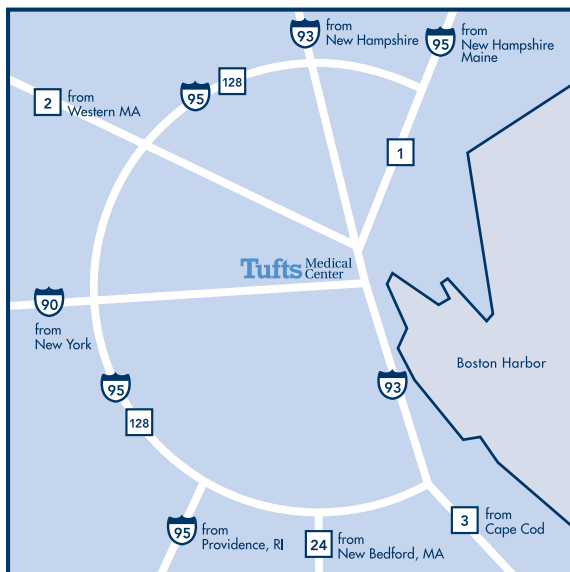

Parking

The Tufts Medical Center parking garage is at 274 Tremont Street next to the Biewend Building and Wang Theatre. Patients can validate their parking tickets at our check-in desk for reduced-fee parking. A covered walkway connects the garage (at level 3) with all hospital buildings.

Directions by Automobile

From the North: From I-93 Southbound, take Exit 20-A (South Station) onto Purchase St. Continue along Purchase Street, which becomes Surface Artery, to Kneeland Street. Turn right onto Kneeland and go several blocks and turn left onto Tremont Street. The hospital parking garage is on the left, just past the Wang Theatre.

From the South: From I-93 Northbound, take Exit 20 and follow this two-lane ramp that services I-90 (East & West) and the South Station area. Head toward South Station (signs say “I-90 West/Worcester and South Station”).

Continue straight past the left-hand exit for I-90 East, and go approximately 1/4 mile. The two lanes will split. Use the left lane to “South Station/Chinatown.” Once on the path to South Station, take a left at the second signal light (at Kneeland Street) toward Chinatown. Go straight on Kneeland for several blocks and turn left on Tremont Street. The hospital garage is on your left just past the Wang Theatre.

From the West: Take Exit 24-A (South Station) from the Massachusetts Turnpike (I-90). Turn left on Kneeland Street and left again on Tremont Street. The hospital garage is on your left. You also may exit at Copley Square (Exit 22) onto Stuart Street. Follow Stuart past the Transportation Building to Tremont Street. Turn right on Tremont, and the hospital garage is on your left just past the Wang Theatre.

Directions by Public Transportation

MBTA: On the Orange Line – go to the “Tufts Medical Center” stop which exits onto Washington Street. On the Green Line – go to the “Boylston” stop which exits at Boylston and Tremont and walk down Tremont 1.5 blocks to the Biewend Building. On the Red and Orange Lines – go to Downtown Crossing.

Bus and Rail: You can walk from South Station where Commuter Rail and Amtrak connections can be made. We are convenient to bus lines 3, 11, 43, 55 and the Silver Line.
